

Around and round and
round we go,

When we get home we
have a zero.

Start at the top and
down we run,

That's the way we
make a one.

Around and back on a
railroad track

Two, two, two

Around the tree and
around the tree,

That's the way we
make a three.

Down and over, down
some more

That's the way we
make a four.

Down and around
then a flag on high

That's the way we
make a five.

Down we go and make
a loop,

Number six makes a
hoop.

Across the sky and
down from heaven,

That's the way we
make a seven.

Make an 's' and do
not wait

When it's joined up
you have an eight.

Make a loop and then
a line,

That's the way we
make a nine.
