### Late Arrivals

Dear Parents/Carers,

A gentle reminder to help safeguard our pupils. Any pupils who arrive late to school (after 8:55am) **must be accompanied** by parents/carers to the school office. Parents/Carers must then register their child using the Pupil sign In System. This will enable your child to be properly registered and enable office staff to take them to their classroom.

The school gates for pedestrian and vehicular access will remain locked throughout the day, however parents/carers can gain access to school by using the intercom system.

Yours Sincerely,

Mr M Power
