Headteacher Update – September 4th 2022

Dear parents, carers and family members,

A very warm welcome back!

We hope that you have had an enjoyable and relaxing break with your family and friends in the sunshine!

We are all very much looking forward to welcoming your children back into school tomorrow morning!

We are extremely pleased to announce that over the summer Miss Frankland got married, returning from her honeymoon as Mrs Prescott! We wish her all the very best for the future. We also welcome Miss Turner to our Redeemer and St. Stephen's Tockholes family. Please wish her well as she greets the new year 1 children of her class.

Over the holidays, school has had installed a new computer suite - it is most impressive. We are also in the process of having electronic gates fitted at the entrance to The Redeemer School to ensure the safety of all our children.

We would also like to congratulate Treacle, Miss Ross' dog, who has officially passed all of his 'Therapy Dog Exams' and he is now our first 4-legged, nurturing member of staff.

Finally, I would like to thank Mr Gill and his team for all of his hard work deep cleaning and maintaining our schools.

Take care and God bless,

Mr M Power
