

Worship Theme 2025 - 2026: Growing in the Light of Christ

The lighthouse represents Christ, shining His light to guide, protect, and inspire us on life's journey. Just as a lighthouse keeps ships safe and helps them find their way, Christ guides us through the waves and storms of life. The beams of light shining from the lighthouse represent our Redeemer values. Each fortnight, we will focus first on learning about a value and then on putting that value into action, so that together we grow in the Light of Christ.

GROWING IN THE LIGHT OF CHRIST

Whole School Worship Structure (Monday, Tuesday and Friday)

Opening

- **School Vision:** Begin by reciting or reflecting on the school's vision, setting the tone for worship and aligning everyone with our core values.
- **Candle Lighting:** Light three candles to represent the Holy Trinity, creating a sacred and reflective space.

Theme

- Introduce the weekly theme and share the aim of the worship.

Interactive Worship

- The worship leader designs an interactive element to help children engage deeply with the chosen scripture or learn from the life and example of the inspirational figure.

Celebration Worship (Friday)

- Two Certificates per class, Birthdays, Sports News, Other news, Fundraiser Notices, New Babies – Anything to be included must be emailed by 16:00 on the Thursday to the lead SLT member.

Hymn

- A song linked to the key value of the week.

Prayer

- Conclude with:

- A short prayer reflecting the key value
- The whole school prayer
- The blessing (sign of peace)
- *The Lord's Prayer* on Mondays and Fridays

Class Worship (Wednesday)

Class Worship Planning

Class worship is split into **Years 1–3** and **Years 4–6**. This allows the planner to differentiate discussions, tasks, and activities so they are age-appropriate and ensure pupils gain the most from their worship time. All worship PowerPoint and supporting resources should either be emailed to your team or saved in the designated shared area by the person allocated that particular week.

Opening

- **School Vision/Prayer:** Begin by reciting the whole school prayer together.

Engagement

- Ensure the worship is interactive, encouraging participation from all pupils. This could include discussions, shared reflections, or prayers linked to the theme.

Activity

- Include a short, meaningful activity that reinforces the message of the worship. Activities should be evidenced in the **Worship Record Book**.

Music/Hymn

- A piece of music or a hymn linked to the key message can be used. This may be sung together or listened to reflectively.

Worship Record Book

- Record the worship activities or pupil responses in the Worship Record Book as evidence of engagement and reflection.
