Worship Planner 2024 – 2025 Spring 2

Theme for Collective Worship 2024 - 2025

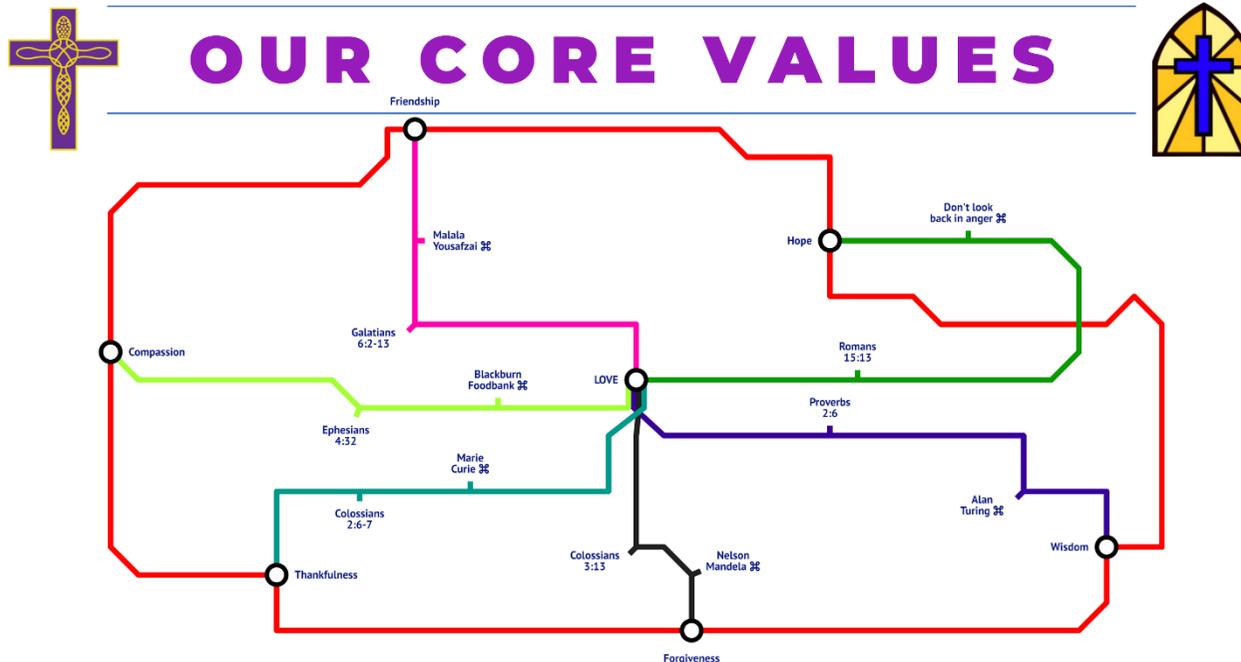

Exploring how our school's core values serve as a guiding framework throughout life, much like a transport map. Each "values line" represents a different path where we encounter inspirational figures, discover Bible stories, and learn practical ways to embody and live out these values every day.

How this will work

1. Core Values as Routes
2. Bible Verses, how we can live out our values and Inspirational people as Stations
3. Transfers – we look at how different values can work together in real life

Monday & Tuesday Worship

Opening -

School Vision: Begin by reciting or reflecting on the school's vision, setting the tone for the worship and aligning the community with the school's core values.

Candle Lighting: Light three candles to represent the Holy Trinity, creating a sacred space for reflection and worship.

Theme: Each worship during the Autumn Term will center around either a Bible verse or an inspirational person.

Interactive Worship: The worship leader should design an interactive session that helps children engage deeply with the chosen verse or learn from the life and example of the inspirational person.

Hymn: Linked to the key Value

Prayer: Conclude the worship with a prayer that reflects on the key value highlighted in the session. Follow this with the recitation of The Lord's Prayer and blessing

Wednesday Class Worship

Opening –

School Vision: Begin by reciting or reflecting on the school's vision, grounding the worship in the core principles that guide the school community.

Candle Lighting: Light a candle to symbolise the start of the worship, creating a calm and focused atmosphere.

Class Worship – Tell the story – Teach the story

Engagement: Ensure the worship is interactive, encouraging participation from all students. This could include discussions, prayers, or shared reflections related to the theme.

Activity: Incorporate a brief, meaningful activity that reinforces the worship's message. The activities are available in the planning, these can be differentiated for Team 2 – Y1,Y2,Y3 and Team 3 – Y4,Y5,Y6.

Music/Hymn: A piece of music that links to the key message can be used for reflection or a hymn used to share a collective song.

Worship Record Book: Conclude by recording the activity or key moments from the worship in the Worship Record Book. This serves as evidence of participation and reflection, and as a keepsake of the class's spiritual journey throughout the year.
