

Worship Planner 2024 – 2025 Autumn 2

Theme for Collective Worship 2024 - 2025

Exploring how our school's core values serve as a guiding framework throughout life, much like a transport map. Each "values line" represents a different path where we encounter inspirational figures, discover Bible stories, and learn practical ways to embody and live out these values every day.

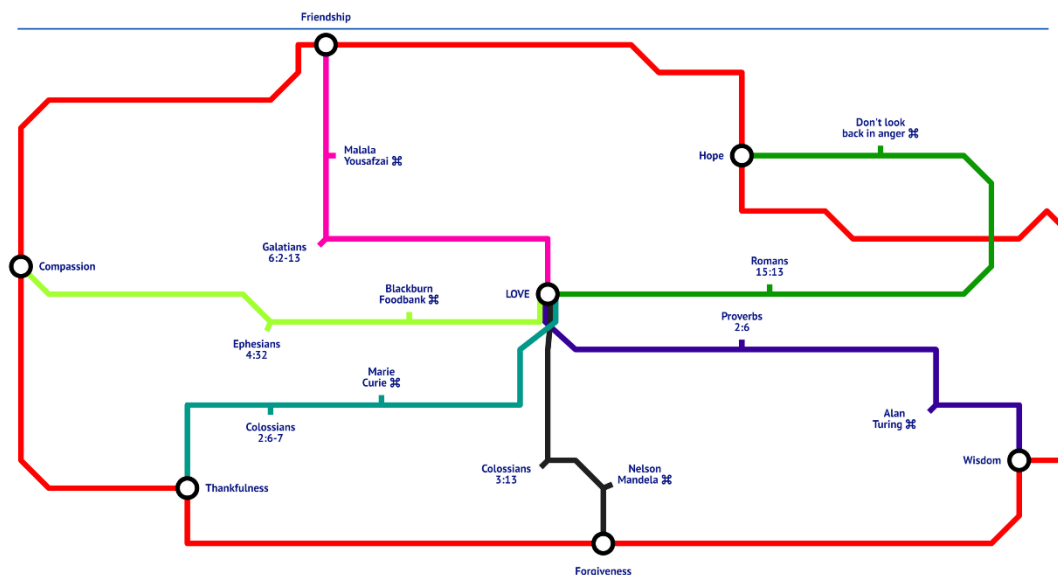

How this will work

1. Core Values as Routes
2. Bible Verses, how we can live out our values and Inspirational people as Stations
3. Transfers – we look at how different values can work together in real life

Autumn Term Focus -

Theme: Each worship during the Autumn Term will center around either a Bible verse or an inspirational person.

Interactive Worship: The worship leader should design an interactive session that helps children engage deeply with the chosen verse or learn from the life and example of the inspirational person.

Prayer: Conclude the worship with a prayer that reflects on the key value highlighted in the session. Follow this with the recitation of The Lord's Prayer and blessing

Class Worship -

Autumn 2

Class Worship this term will follow **The Biggest Story Curriculum** from Genesis 1-2 to Genesis 10:11. A PDF Version of this planning will be shared by LD.

Tell the story – Teach the story: Each unit will begin with a story from the Bible. This can be done through reading the story from the Bible, or using one of the relevant animated videos from thebiggeststory.com. Teachers will then Teach the story, the planning gives a script that staff can refer too, alongside BIG Truths which are short sentence summary's that can be emphasised with pupils ie. Genesis 1:2 – *A very good God makes a very good world, with humans as his very good image bearers.*

Engagement: Ensure the worship is interactive, encouraging participation from all students. This could include discussions, prayers, or shared reflections related to the theme.

Activity: Incorporate a brief, meaningful activity that reinforces the worship's message. The activities are available in the planning, these can be differentiated for Team 2 – Y1,Y2,Y3 and Team 3 – Y4,Y5,Y6.

Autumn 2

Music/Hymn: A piece of music that links to the key message can be used for reflection or a hymn used to share a collective song.

Worship Record Book: Conclude by recording the activity or key moments from the worship in the Worship Record Book. This serves as evidence of participation and reflection, and as a keepsake of the class's spiritual journey throughout the year.
