Dear Mark and The Redeemer Church of England Primary School community

### **OFSTED**

On behalf of the Board of Education for the Diocese of Blackburn, I am delighted to extend our heartfelt congratulations on your outstanding Ofsted inspection results. Your exceptional achievements reflect the dedication, hard work, and Christian ethos that permeate every aspect of your school.

Your commitment to nurturing pupils' spiritual growth alongside their academic development is truly commendable. The inspection report highlights several key aspects that demonstrate your school's Christian distinctiveness:

1. The school's emphasis on helping pupils face challenges, build resilience, and become self-confident aligns beautifully with Christian values of perseverance and faith.
2. Your focus on caring, consideration, and empathy towards others exemplifies the Christian principles of love and compassion.
3. The school's active involvement in the local community, such as visiting care home residents, reflects the Christian call to serve others and show God's love in practical ways.
4. The strong relationships between staff and pupils, built on trust and care, mirror the nurturing environment that a Christian school should provide.
5. Your commitment to providing an exceptional range of opportunities for personal development, including activities that bring fundamental British values to life, demonstrates how you integrate Christian values with civic responsibility.

It is evident that attending The Redeemer Church of England Primary School is a transformative experience for pupils. They are not only achieving academic excellence but also developing into compassionate, confident, and community-minded individuals. This holistic approach to education, rooted in Christian values, is precisely what we aspire to see in our church schools.

Once again, congratulations on this remarkable achievement. Your school truly embodies our vision of inspiring children and young people to transform the world through the love of Jesus and the power of the Holy Spirit.

May God continue to bless your school community as you maintain this standard of excellence and nurture the next generation of Christian leaders.

Best Wishes
