

Miss J Allen

I am a Teaching assistant, currently in year 1. I have worked at the Redeemer since 2011.

I am originally from North London but have lived in Lancashire for the last 20 years.

I have 3 children, whom all attended the Redeemer.

I am undertaking a combined social science degree through the Open University, currently in Year 4 of 6.

My hobbies include running, going to the gym and reading.

I believe every child is unique, special and a blessing from God.
