

### **Miss Gillian Ross**

- I have been teaching since 1995, starting my teaching career in Yorkshire, moving to Rochdale and finally ending up in Blackburn in 2000.
- I have worked at The Redeemer since it opened and have enjoyed the challenge of the different roles I have undertaken.
- My current role in school enables me to work with a wide variety of both children and staff.
- I particularly enjoy working in Foundation Stage, setting the children off on their educational journey and instilling in them a love of learning.

### **Other information**
