- My family has links with The Redeemer/St Bartholomew's going back nearly one hundred years. My family is the fourth generation of Schofield's to attend the school.
- I have served as a Governor on the Buildings and Premises committee for the last five years the last two as Chair. During that time we have made many significant improvements to the school to the benefit of the children, parents and teachers.
- I am committed to keep improving our school and supporting the children, parents and teachers personally and professionally.
- I regularly advise the Senior Leadership Team on legal and safeguarding issues.
- I can often be seen be walking like C3PO after having moved heavy bollards or clearing the snow from the playground.
