

Mrs Rebecca Crompton

I am married and have 3 children: Alexia and Isabella (who both attend the Redeemer) and Jake who is nearly 2.

I am a primary school teacher, currently working in year 1 part-time, but have also taught across the whole of key stage 2.

My specialism was maths and I enjoyed coordinating this subject, but have now been given a new challenge and am leading computing across key stage 1.

As a teacher, I have had lots of experience working with staff, parents and pupils of many ages and abilities and truly believe my school's motto of 'High expectations, every child, no excuses'.

Out of school, I enjoy spending time with my family, walking, reading and being involved in Friends of Rothwell Arts, helping to raise money for the dance and gymnastics school that my daughters attend.

As parent governor, I hope to help to ensure every child has the opportunity to reach his/her full potential, to share knowledge and skills within the governing team and throughout the school and to help the school keep its outstanding status.
