

Gill Boyle

I live local to the school and I am married with two children: Benji (who attended Redeemer and currently in Year 10 at St Wilfrids) and Dougie, who is in currently in Year Two.

As a family we love to spend time with our extended family and friends. We enjoy exploring different holiday destinations and learning about new cultures. Both my children are avid football players and play for local teams.

For the last 15 years I have worked in the banking sector and currently work for a Swedish Bank as a Private Banking Manager. I am also a Coaching and Development Mentor to young professionals starting out on their career in Banking.

As a parent governor, I want to help and support our school to continue to make a positive impact on our children's lives and inspire them to be the very best they can be.
